# Picture Database of Licensed Animals

The City of Hoffman started a database of pictures of it's licensed pets to help in identification of run-away and wandering animals within the city limits. This database will only be used by city personnel and law enforcement and will not be available for public use. **If you previously submitted a picture of your pet you do not need to submit another one.** There are a couple options for your to submit your picture:

## #1 – Send a text message of your pet's picture.

Send the text message **including the Owners Name and the Pet's Name** to [cityofhoffman@runestone.net](mailto:cityofhoffman@runestone.net)

Yes! You can send a text message via your smartphone to an email address. Simply type in the email address where the phone number would typically be and send us a text message with your pet's picture, the pets name and the owners name. Please make sure to send the picture shortly before or shortly after submitting your licenses application.

## #2 – Send an email with an attachment of your pet's picture.

Send the email message **including the Owners Name and the Pet's Name** to [cityofhoffman@runestone.net](mailto:cityofhoffman@runestone.net)

## #3 – Bring a hard copy picture of your pet to the city office.

Not sure how to submit your photo using option #1 or #2? No problem. Bring in your pets photo into the city office and we will scan it in for you and add it to the database.
