

Knowing your neighborhood pay\$ off...

This is just the beginning of a 10-week contest for area residents. We will highlight a different yard, or garden, from the community each week. Entry forms are available at the Hoffman City Office - simply name the residence (or addresses) in the same order that they appear in the paper. After all 10 yards are pictured - turn in your guesses at the Hoffman City Office. From all the correct entries one will be chosen by random draw to receive either a \$100 credit on your city/water bill or \$100 in Hoffman Bucks!
